## Members of the marketplace can:

- **Post** needed and available materials for reuse/recycling
- **Communicate** with other users through an interactive messaging system
- **Save** money through substitution of raw material feedstocks or by avoiding landfill fees
- **Achieve** Zero Waste Goals while participating in Ohio's emerging Circular Economy

*“This new service positions Ohio as a leader in the circular economy - promoting jobs, allowing for better efficiency and savings and helping remove materials from the waste stream.”*
